INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby submit an Interview Summary in regard to telephone discussions with Examiner Trinh during July and August of 2007. The summary of these discussions begins on page 2.

1. Background

Applicants received a final Office Action dated March 9, 2007. During a telephonic interview with the undersigned on April 9, 2007, and as described in an Interview Summary in Applicants' June 8 response to the Office Action, Examiner Trinh agreed to withdraw the finality of the Office Action and enter Applicants' response. The June 8 response was not entered, however, and Examiner Trinh instead issued an Advisory Action dated July 6, 2007.

2. Summary of Interview on July 17, 2007

The undersigned spoke with Examiner Trinh in early July upon receiving the Advisory Action and pointed out the inconsistency with the prior interview. After reviewing the case, Examiner Trinh agreed by telephone on July 17, 2007 in conversation with the undersigned that the Advisory Action was premature. Examiner Trinh stated that she would withdraw the Advisory Action and also the finality of the last Office Action, as originally discussed during the April 9 interview. She also stated that no further action is required on the part of Applicants until receipt of the next Office Action.

3. Summary of Interview on August 13, 2007

Because PAIR shows no change in the status of the application and Applicants have not yet received any further Office communications regarding this case, the undersigned contacted Examiner Trinh. Examiner Trinh spoke with the undersigned on Monday, August 13, 2007. During the call the Examiner confirmed that the status of the case remains as described in the previous paragraph. Examiner Trinh also confirmed that Applicants will be receiving an Office Action responsive to Applicants' June 8 amendment.

Respectfully submitted,
